

HOW TO TRANSFER TO OTHER ACCOUNT- INTERNAL ACCOUNT TRANSFER

KBZ online banking can transfer to other KBZ accounts.

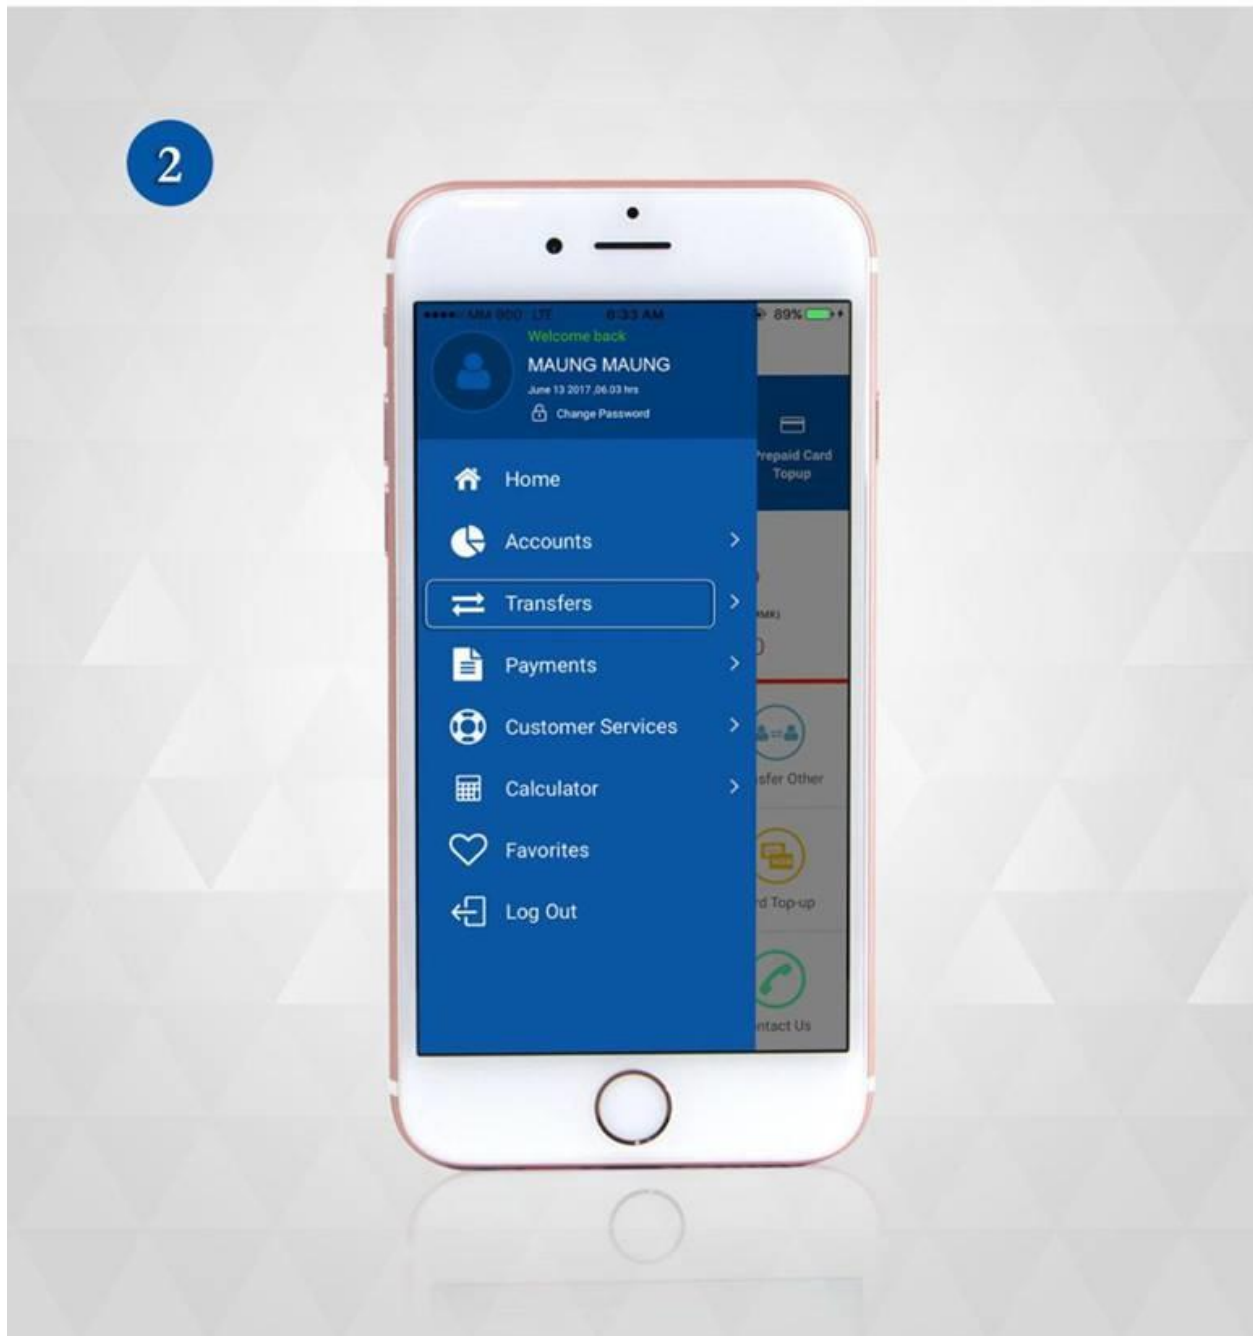

To transfer to other KBZ account, it is needed to add the beneficiary (beneficiary Maintenance) who you would like to transfer. And it is also need to be careful to add the correct account number (17 digits) of the beneficiary. After you add the beneficiary correctly, you can transfer to KBZ account internally.

To transfer to other KBZ account:

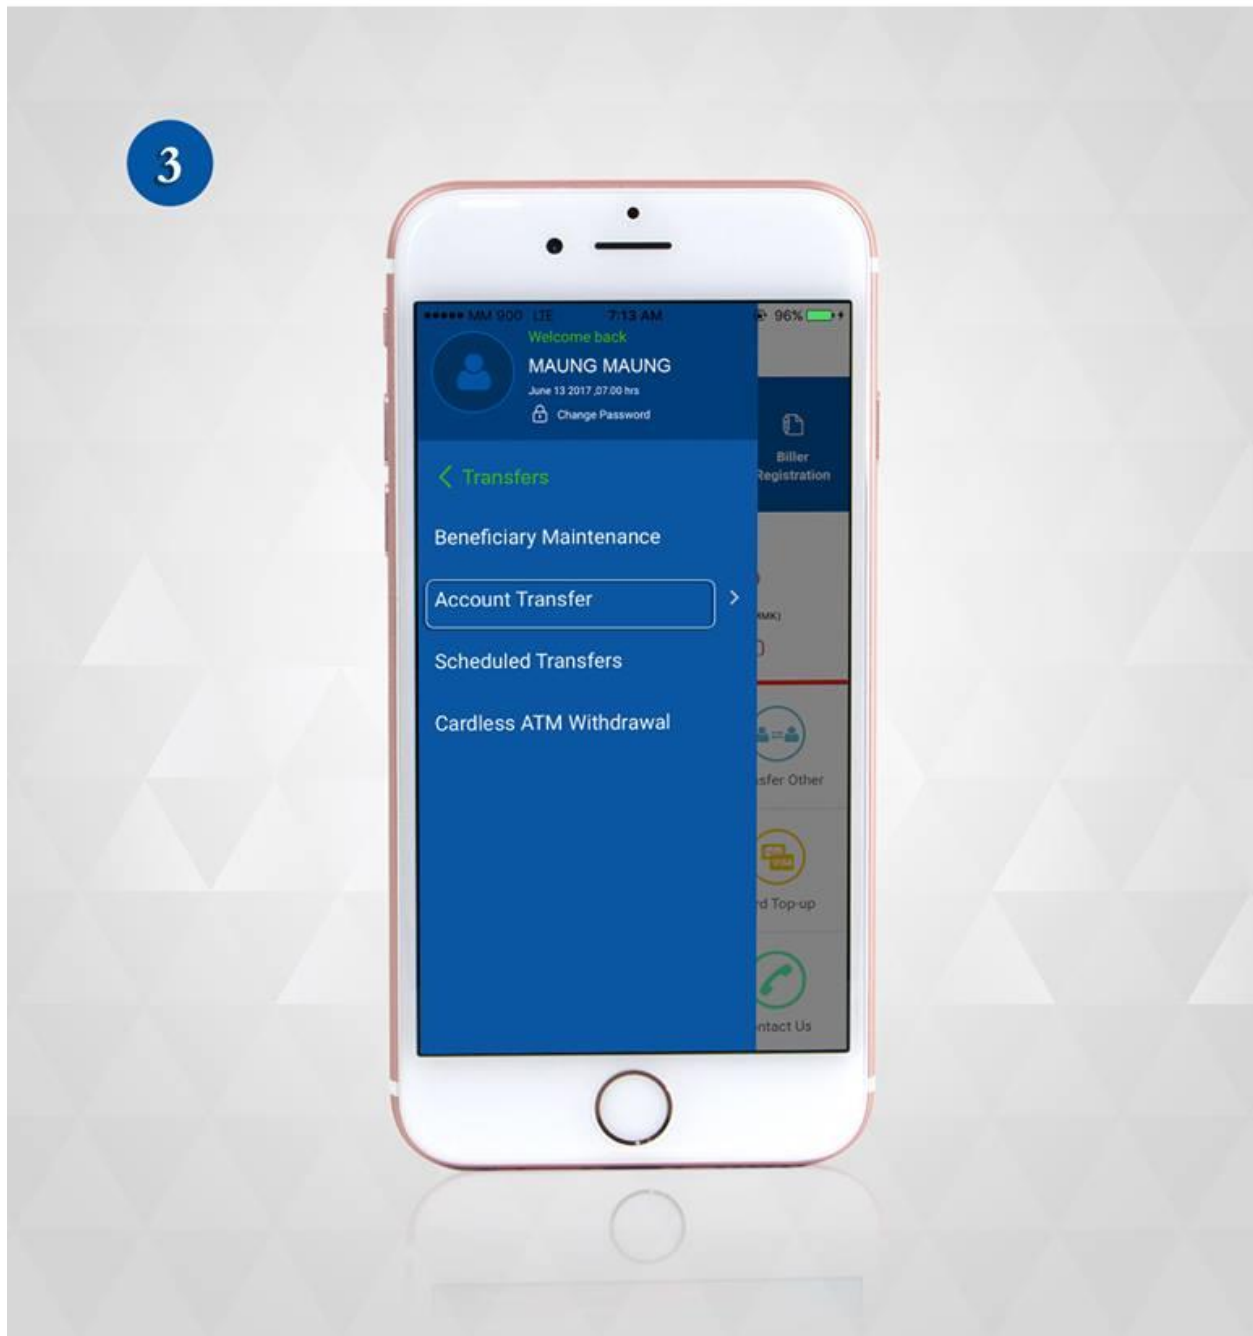

(1) Please login to KBZ Online Banking

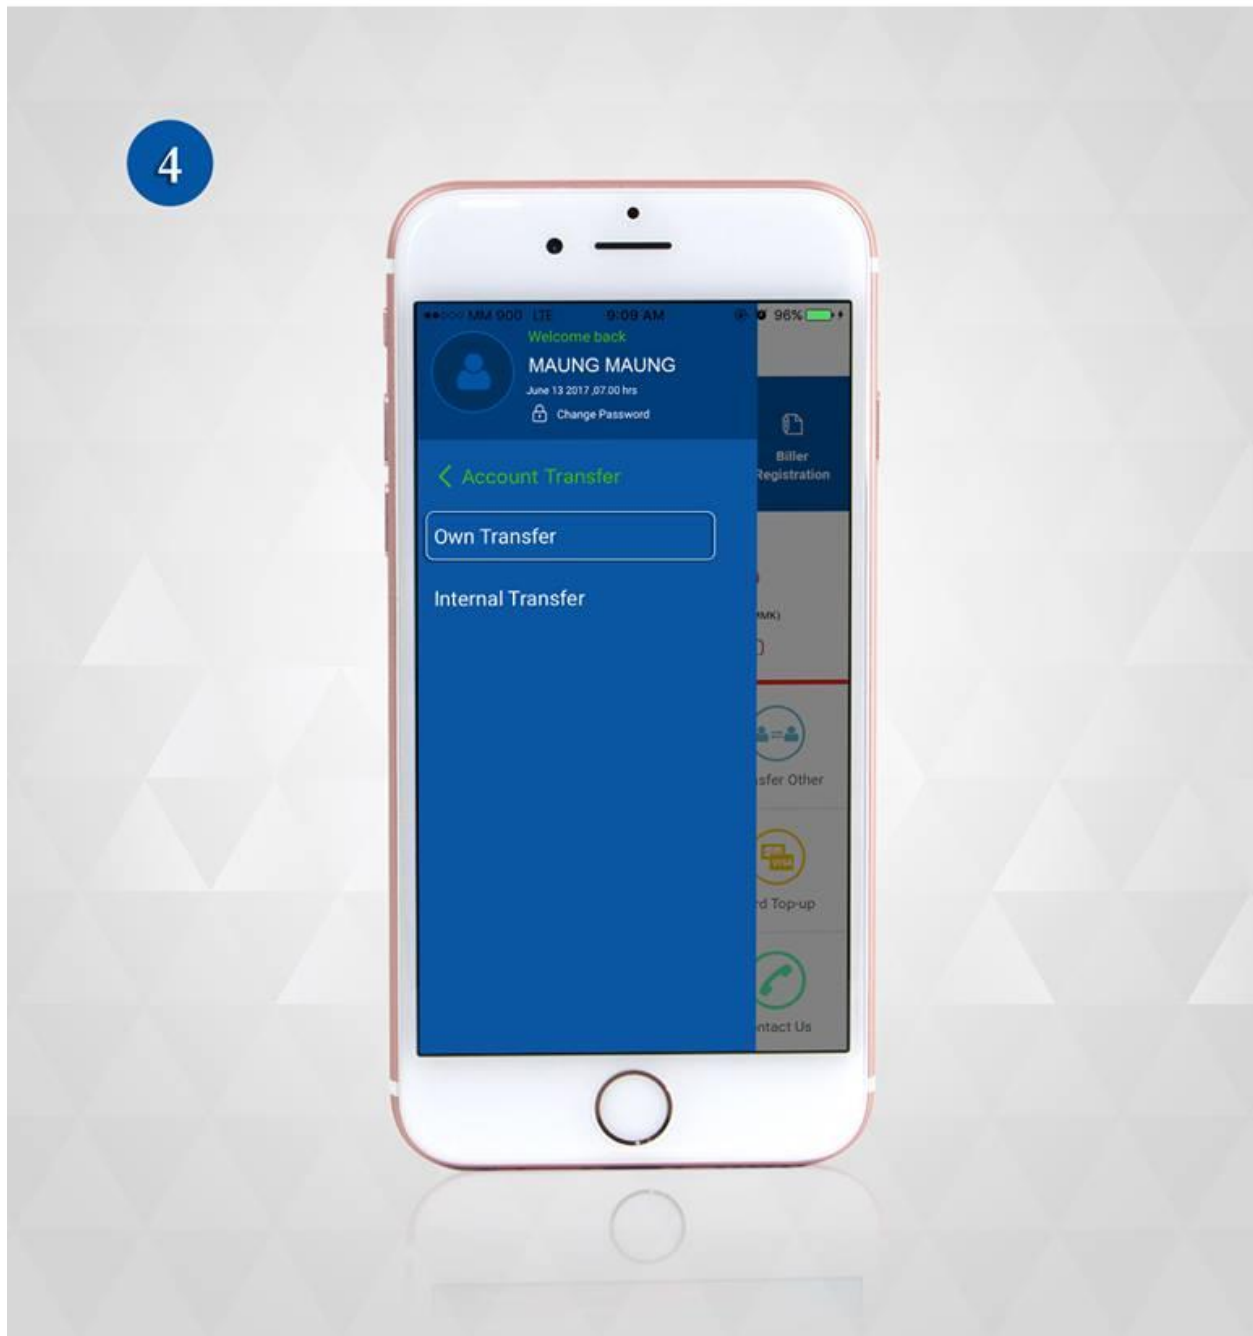

(2) Then , please choose " Transfer " from the menu.

(3) Please select the account transfer

(4) Please select the " own transfer "

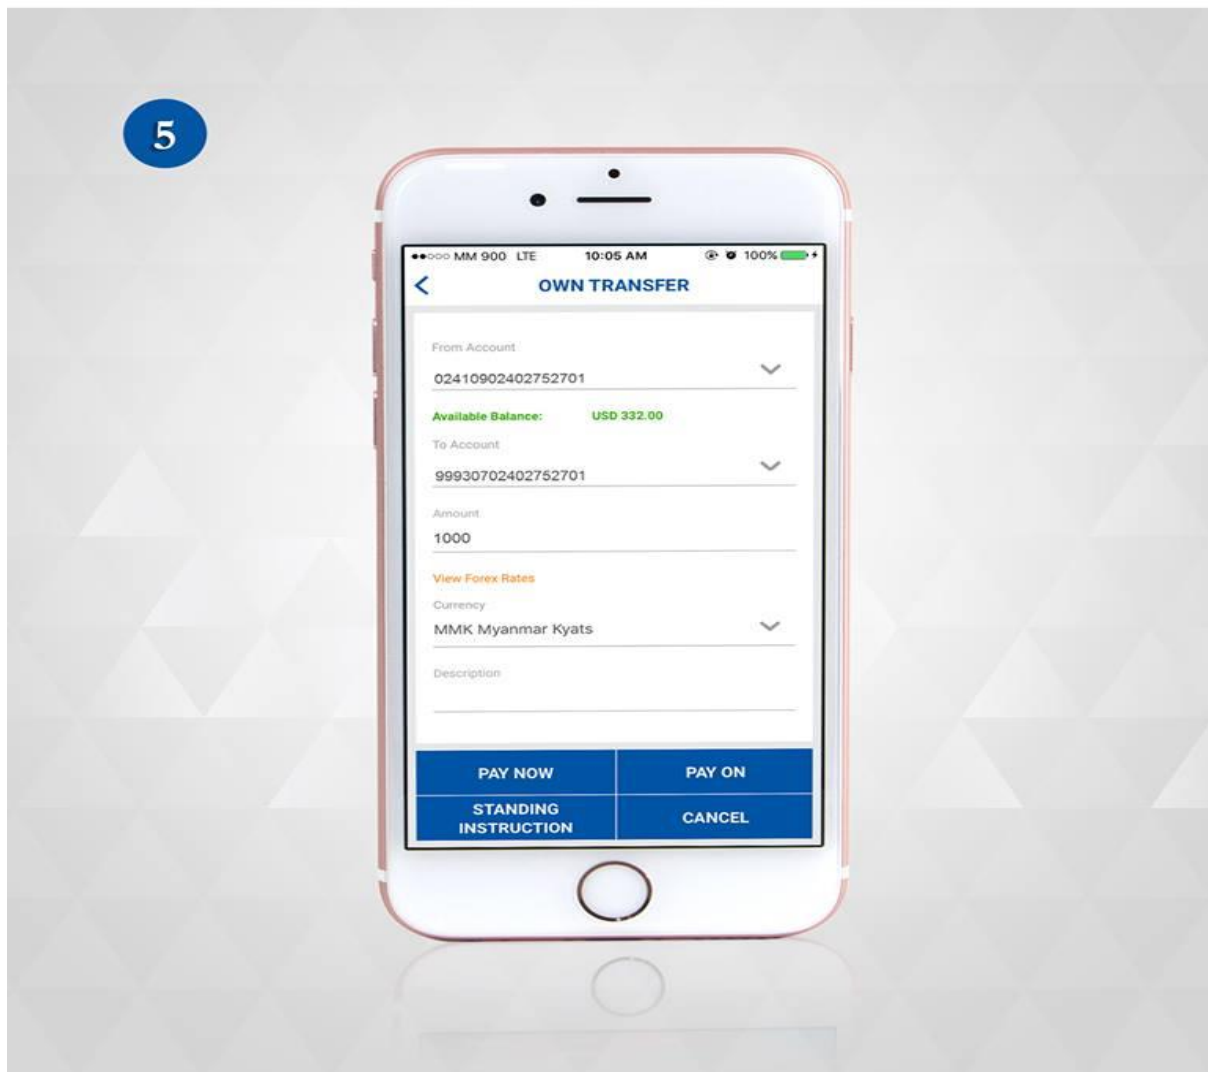

HOW TO TRANSFER TO OTHER ACCOUNT- INTERNAL ACCOUNT TRANSFER

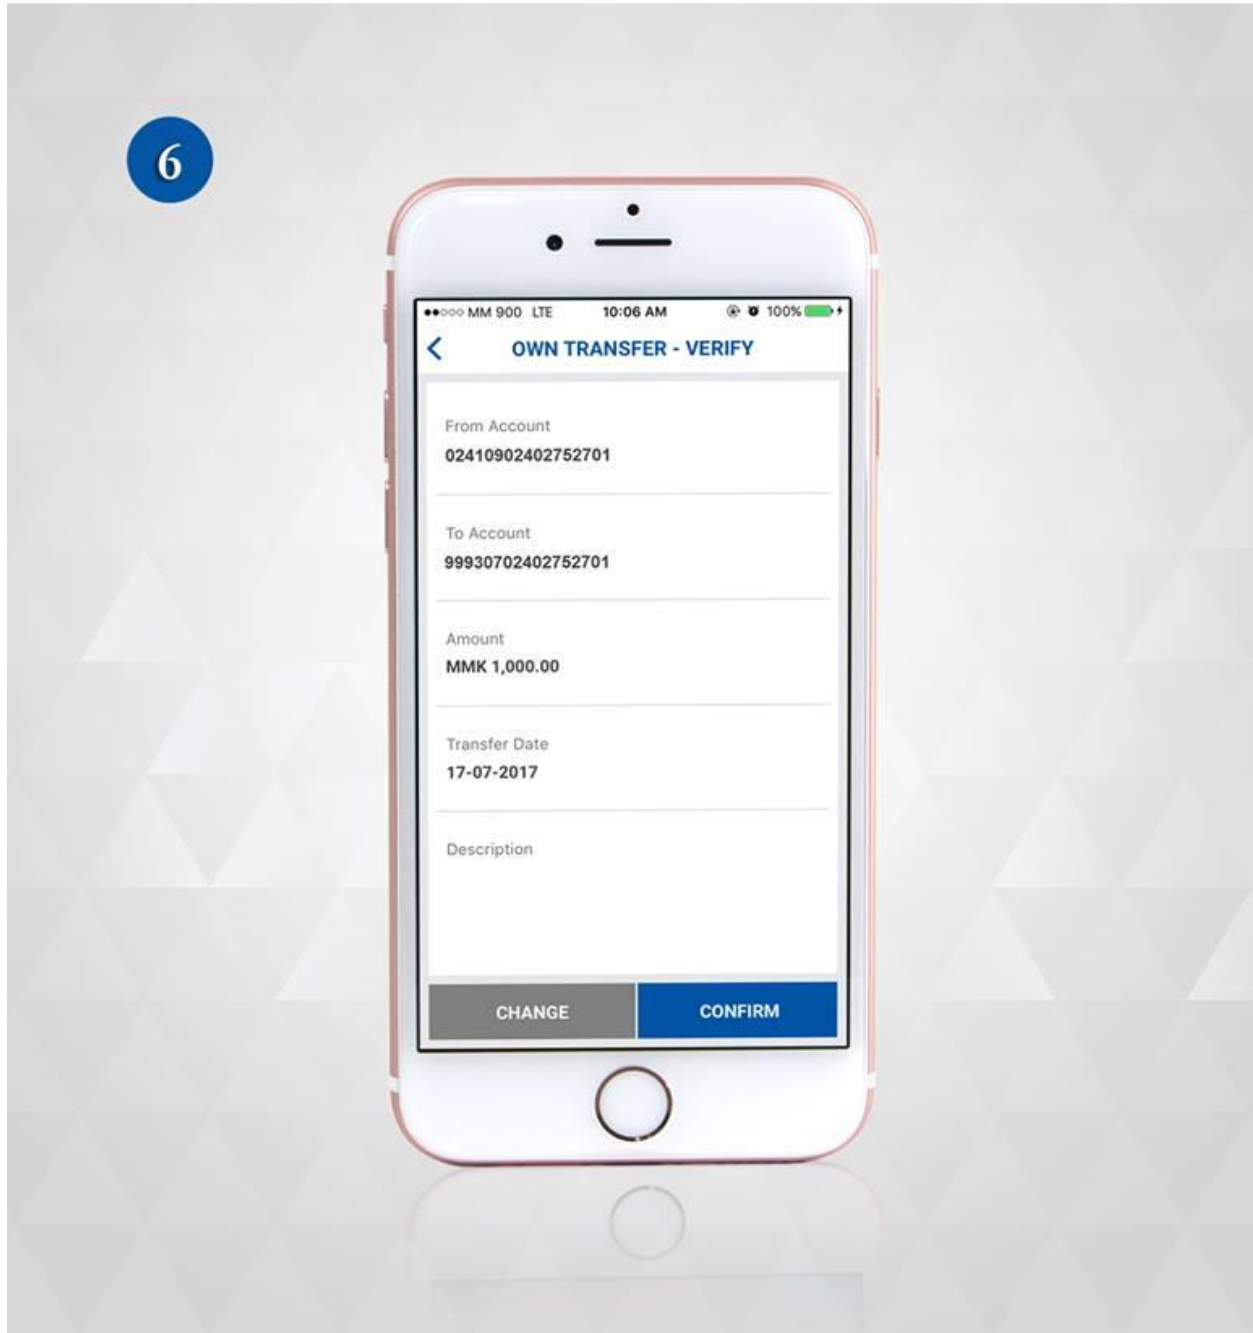

(5) Please fill up the required information correctly and then press "Pay Now" to transfer on the spot.
